

WE'VE ALWAYS PROTECTED YOUR VEHICLES, NOW WE PROTECT YOUR BUSINESS!

The products in this catalog are manufactured by Omega Research & Development, a leader in vehicle security products since 1971. Omega has always set the industry standard with unique and innovative vehicle security and convenience features, including state-of-the-art integration technologies. Our products are tested and trusted by millions of customers worldwide, and manufactured to ISO 9002 and QS 9000 standards to insure the highest quality. Below is a list of patents that protect our products *AND* the dealers who sell them. Not only do we protect your vehicles, we protect your business! *What other company can offer you that?*
