

### New Account Creation

After having CarLink installed, follow the steps below to begin using your system.

1. Download the CarLink application to your phone:
  - i. Open the ICC ID/SMS with the link to download the application.
  - ii. Select the link and follow the instructions. Android users will be taken to the Android Market place to download the app.
2. Launch the CarLink app. from your phone's application list.
3. Select "Create Account" from the menu.
  - i. Enter your email as the ID and a password, you will then need to accept the End User Agreement to complete the account creation.

**Note:** The user will remain logged in unless manually logged out.

4. You will automatically be directed to the Add Car screen to add your vehicle to the account. Follow the steps below to add your car to the account.

### Add Car

You will be prompted to add a vehicle upon completion of creating an account in step 3 above.

1. Enter the 19 digit ICC ID/SIM number provided by the dealer.
2. Enter the one time use, 4 digit code provided by the dealer.
3. Enter a name for the vehicle (optional).
4. When complete, touch the Add button.

### Login to Your Account

You must be logged into your account to control your vehicle with the CarLink App. From the menu screen select Login and enter your user name and password.

**Note:** Even if you close the CarLink App you will remain logged in until manually logged out. After logging out, the application will launch in Demo Mode until a user has logged in.

## Password Recovery

If for whatever reason you have forgotten your password, follow the steps below to recover it.

1. From the login screen, select menu to pull up the login screen menu.
2. Touch the Lost Password button.
3. Enter the login email address you used to create your account.
4. Touch the Send button and your password will be emailed to you.

## Logout

Even if you close the CarLink App you will remain logged in until manually logged out. If you plan to give someone else access to your phone but do not wish to give them access to your vehicle, it is a good idea to logout of the CarLink App to avoid unauthorized access to your vehicle. After logging out, the application will launch in Demo Mode until a user has logged in.

## Online Web Access: Computer or Web Enabled Phone

To access your CarLink features from a web browser go to [www.omegacarlink.com](http://www.omegacarlink.com) and login using the same email and password used to log into your smartphone app. Activate your vehicle functions by clicking the appropriate icons. For a detailed guide to using the web app, you may download the web app guide from [omegacarlink.com](http://omegacarlink.com).

The image shows the CarLink login interface. At the top left is the CarLink logo with "BY OMEGA" underneath. The word "LOGIN" is displayed in large green letters. Below it are two input fields: "Email" and "Password", each with a small star icon to its left. A "LOG IN" button is positioned below the password field. At the bottom, there are two links: "Not yet registered? Sign up" and "Forgot your password? Click here", both in blue text.

The image displays two vehicle control panels. The top panel is for a "CAMARO" and the bottom panel is for a "Z71 TAHOE". Each panel features a 2x2 grid of icons: "LOCK" (closed padlock), "UNLOCK" (open padlock), "TRUNK" (car with open trunk), and "START" (circular arrow). Below the grid, there are two auxiliary buttons labeled "AUX 1" and "AUX 2". The vehicle name is written in green at the top left of each panel.
